## Dear Parents and Caregivers

Welcome to Week 9.

A big thank you to our Parents and Friends who ran a successful wood raffle last weekend. Thank you to Libby and Rodney who organized the load of wood and Simon, Joanna, Donna, Leah and Libby who joined me to help sell the tickets. The \$1029 raised goes towards providing additional resources for your children such as hands on maths materials, new sports equipment and some art equipment. On behalf of the staff and students – THANK YOU!!

In other P&F news we will be holding another wood raffle (thank you Simon for the wood) early next term, a Lapathon for the kids and on the 3<sup>rd</sup> July we are organizing the afternoon tea at the Bombers home game. Please keep checking the P&F board at school and the P&F Facebook page for upcoming events.

Semester One Reports will be going home on Tuesday 29<sup>th</sup> June. Please take the time to read this report with your child to discuss the great progress they have made over the semester. With the report there will be an additional letter highlighting your child's attendance. At St Joseph's we aim to have 90% attendance for each child so that they can succeed both academically and socially.

This term I have completed online training to implement the Smiling Mind program into our school to ensure that we have the well being of our staff and students as an important focus. This program helps to build healthy minds, engaged classrooms and equip a generation of young people with skills they need to thrive in life. The free app provides dedicated programs for both adults and kids and can be used at home and at school. Keep an eye out next term for more details as we begin using the resources.

We have a busy couple weeks ahead. Our Year 3 to 6 students will participate in the YSSSA Lightning Carnival on Wednesday 23<sup>rd</sup> June, having chosen either netball or football to participate in. There will be a footy clinic for all of our students the day before at school.

Our end of term assembly will be on Thursday 1<sup>st</sup> July at 2.30 in the library. Parents are welcome to attend our Senior liturgy on Monday morning at 9am in the Church. We also have an end of term Mass on Monday 28<sup>th</sup> June for the whole school. You are very welcome to join us to celebrate the end of a successful (but very long) term.

Finally we send our best wishes to the Combined Yilgarn Cross Country team who are participating in the Bruce Rock Cross Country Competition on Friday.

## Phys Ed

This term we have been focusing on putting fundamental movement skills into mini game situations. We have mainly been focusing on Winter sports, Netball and Football. The junior students have been working on co-operating with others when participating in physical activities and participating in games with and without equipment. The senior students have focused on practising and applying movement concepts and strategies and being inclusive when participating in physical activities.

## Drama

This term in Drama we have been looking at improvisation and building confidence when performing in front of an audience.

The junior students have been focusing on using drama action to sequence events to communicate an idea or message and exploring and experimenting with voice, movement and role.

The senior students have been concentrating on improving the eight elements of drama;

**Voice**  
**Movement**  
**Role**  
**Situation**  
**Space**  
**Character**  
**Time**  
**Relationships**

LIVING LIKE JESUS

REFLECTION

Mental health and wellbeing is important as it underpins the way children feel about themselves, how they think, learn, and relate to others. With good mental health, research shows children are happier, more confident, more resilient learners and able to build positive relationships. Good mental health in childhood sets young people up for positive mental health in the future. Mindfulness is a state of being fully awake to life; being aware and undistracted in the present moment and observing life as it unfolds without analysis or judgment. It is about focusing attention on the here and now, rather than thinking about the past or worrying about the future.

P&F NEWS

Southern Cross Bombers Home Game Afternoon Tea

We are hosting the afternoon tea at the July 3rd home game.

If you can supply home made goodies for the afternoon tea and/or help on the day (between 2.45 and 4.00pm) please add your name to the roster in the school office.

Wood/Scratchies and 100 Board Raffle

An amazing amount of \$1029.00 was raised for the raffles held last Saturday. Well done to everyone that helped out and brought tickets.

THANK YOU

A huge thank you to Wheatbelt Fresh Produce for their kind donation of 2 fruit boxes to take to camp in Term 3.

**Parish News**

**Our Lady of Montserrat Parish**

Our parish warmly welcomes those who would like to become Catholic here in this place. In our parish, high school students and adults can present themselves for this of their own accord. Primary school students usually require at least 1 of their parent/guardians to be Catholic (so that they will receive ongoing formation in the Catholic faith at home). Exceptions do take place from time to time, so the best thing to do for any interested families is to either contact us at the parish or register your interest with Ms Allen.
