

# St Joseph's Day Activities - 19th March 2019

(Michelle Pedrin)

On Tuesday we celebrated the Feast Day of St Joseph, a very important day for our school. The students made little tool boxes and paper lilies and had heaps of fun playing some old fashioned games. We shared a sausage sizzle for lunch with students, staff and parents. We ended the day with some water fun - plenty of water balloons, a slippery dip and a paddling pool. Parents, teachers and students were all very wet, but enjoyed the afternoon laughing and spending time together. Thank you to the P & F for providing lunch and to the parents who were able to come along and share in our day. Also thank you to Mrs McGoldrick for organising a fun filled day.
