Dear Parents and Guardians,
Welcome back to Term 3.

A HUGE thank you to Andrew & Donna Crafter who joined with some of our staff for our busy bee last Saturday. We managed to move all the pebbles and place our pavers down and the memorial garden is starting to take shape. We have a couple of more small jobs to do over the coming weeks before it is complete. Stay tuned for more details.

Behind the scenes we have been busy preparing to switch over to our new Administration software platform (AOS) which all CEWA schools are moving to. Please be aware that this will occur as of August 7th. There will be several changes such as a new BPAY reference number on your Fee Statements and SEQTA logins.

We held our first P&F meeting of the term on Monday and it was lovely to see a few parents join with the committee at the meeting. All parents are welcome to attend our P&F meetings and help promote the fundraising events which help provide many opportunities for our students.

This weekend Roshani Fernando will be receiving the Sacrament of Confirmation. We congratulate her on making the commitment to share more fully in the life of the Catholic Church through this special Sacrament.

A reminder that school photos are on Wednesday and we are asking all students in Years 1-6 to wear their winter uniform (with their school jumper) to school on that day. Sports shoes can come to school in their bags.

Next Friday we are celebrating Mary Mackillop Day. Students will be involved in several activities to help celebrate Australia's Saint as well as having the opportunity to come to school with 'crazy hair'. All funds raised will go to the Mary Mackillop Today foundation.

Today is the International Day of Friendship. This is a United Nations (UN) day that promotes the role that friendship plays in promoting peace in many cultures. Friendship is one of the qualities that our students are very good at displaying at school in all their interactions with each other. Recently there have been some instances of children in our community using inappropriate language at the local playgrounds. I encourage all students to display friendship to all that they meet, whether it is at school, the playground or playing community sport.

Enjoy the rest of the week

Classroom News

Mrs Criddle (Performing Arts)

This term we have started to focus on improvisation for Years Three to Six with the students working in partners to think on the spot and design a short performance for an audience.

In Kindy to Year Two we have been looking at combining movement and mime. Here are some photos of the students acting out various objects for the audience to guess.

Reflection

Australia's first Saint.

"Let us try to keep God with us by charity of thought, word and act."

On August 8, we celebrate the Feast of St Mary of the Cross, Australia's first Saint.

Mary's love for Christ was so strong that she sought Him out in the poor, sick and suffering. Mary MacKillop kept her faith in God and bravely challenged those who did not support her vision for a more caring world. Mary is an important Australian who spent her life helping people, especially children. Today, her mission to the poor is very much alive in our world.

Prayer of the Week

Let us be inspired by the work of St Mary of the Cross as we pray the following prayer:

Bountiful and loving God,
You filled the heart of Mary MacKillop with compassionate love for those who are in need and those at the margins of our society. Inspired by her example, may we be led by your Spirit to reach out to our brothers and sisters. Give us generous hearts to respond to the cries of those who are poor in our community and in our world.

We make this prayer through Christ our Lord.
Amen.
