LIVING LIKE JESUS

Our living like Jesus focus for the next two weeks is Compassion.

Dear Parents and Guardians,

Welcome to week 5 – we are half way through the term!

We hope you enjoyed your long weekend to start off this week. Our Staff were joined at school on Tuesday by St Mary's Merredin and our school Psychologist. The focus was on staff wellbeing using the SEARCH model (Strengths, Emotional Management, Attention & Awareness, Relationships, Coping and Habits & Goals). It was a fantastic day and staff came away with many strategies, not only for themselves but for our students.

Our first P&F meeting is on **Monday 8th March** at 3.15 in the library. We will be filling the committee positions (President, Secretary, Treasurer) and will be looking to co-opt members onto the committee. If you haven't returned the reply slip yet and you have a few spare hours each term, please consider supporting this vital parent group – many hands make light work.

Next Saturday (13th March) we will be celebrating our Sacrament Commitment Mass. Students receiving the Sacraments of Reconciliation, Communion and Confirmation this year received a special invitation to this Mass today but all community members are welcome to join us.

The Beatz and Pieces incursion which had been changed to the 9th March has now unfortunately been cancelled.

I am in Perth tomorrow to attend the Climate Survey training and will also be away from the 15th – 17th March for our Evangelisation Planning days. Miss Stock and Miss Malaxos will also be away on the 15th March at their Beginning Teachers PD. There will be no Pre Kindy on this day. Please contact Mrs Beaton or the school office if you have any queries while I am away.

Congratulations to Mrs Beaton on the safe arrival of your new grand daughter, Remi. These congratulations also extend to Josh, Hannah and Myla!
Have a wonderful weekend.

Principal

Classroom News

Senior Classroom - Year 4, 5, 6

The students in Year 4, 5, 6 have been extremely busy so far in Term 1! We have been focusing a lot on teamwork, so the students had an opportunity to share their team building skills. One activity they were asked to do was to build the tallest tower using only spaghetti and marshmallows. Both teams used excellent teamwork by communicating their ideas with each of their team members, and by working together to build the tallest tower without it collapsing. Another team building activity involved the students standing in a circle and holding a straw against the pointer finger of their right hand, and pressed the tip of their pointer finger on their left hand against the end of their neighbour on the rights' straw. The students loved this activity and they were all able to communicate with their classmates what needed to happen in order for them to successfully move without dropping any straws. In Religious Education this term we are exploring "The Parable of the Good Samaritan" by creating news interviews using the green screen. The students seem to be thoroughly enjoying this assignment, and they are all working extremely well in their teams to create an informative and entertaining news interview. We can't wait to show you the finished product!!

COMMEMORATIVE PAVERS AND MEMORIAL GARDEN

St Joseph's School, in conjunction with our P&F Association, would again like to invite you to be a part of this exciting initiative, we would like to offer you the opportunity to purchase a personalised engraved brick pavers to be placed at the entrance of the school and will link in with the existing memorial garden and pavers.

These pavers are a timeless gesture, having your family remembered for years to come within the school grounds.

It is anticipated that orders will be placed at the end of Week 5 of Term 1 2021.

Please share this initiative with past families and staff who have been a part of the St Joseph's Southern Cross community.

Reflection

Third week of Lent

(school week beginning 8th March)

We are now in the third week of Lent with the Project Compassion story of Oliva, a 22-year-old woman from Tanzania. She did not have the opportunity to go to school and was embarrassed that she was unable to read, write or count. As an adult, her business was losing money because she couldn't add up her money and give the right change to customers.

Then Oliva enrolled in Caritas Australia's literacy and numeracy classes. She also set up a home classroom to teach her neighbours, for free, because they were too shy to attend larger classes.

Oliva has now graduated, attendance at her classes are growing, her kiosk is thriving and she is helping her children with their homework. She aims to become a pastor and run for leadership in the next local election - to help her community to 'Be More.'

Watch a short film about Oliva's story [here](https://vimeo.com/491932001)

Parish News

Our Lady of Montserrat Parish

Our parish warmly welcomes those who would like to become Catholic here in this place. In our parish, high school students and adults can present themselves for this of their own accord. Primary school students usually require at least 1 of their parent/guardians to be Catholic (so that they will receive ongoing formation in the Catholic faith at home). Exceptions do take place from time to time, so the best thing to do for any interested families is to either contact us at the parish or register your interest with Ms Allen.
